

## **USATF Adirondack Association All-Comers Indoor Track & Field Meet**

**Union College, January 20, 2017, 6pm**

### **Event Description**

For entry and payment purposes, there are only 2 divisions at this meet: U20, and Open/Masters.

This is an “All-Comers” meet open to all. USATF membership is encouraged but not required.

Athletes will declare their events at the meet using index cards (provided by meet management).

There is no “official” time order for running events. Events will begin at 6:00 p.m. We will proceed directly from event to event as allowed by the entry numbers. All running events will be timed finals. Women/Girls will run before Men/Boys. Younger age groups will run first. We reserve the right to combine Youth, U20, Open and Master age groups and genders in the interest of competition when numbers dictate. There are no awards at this meet.
